In the Senate yesterday Arsenault, the new senator from P. E. Island, was introduced by Senators Lowell and Donald Ferguson,

It was decided to take the address into consideration on Monday, and then on the motion of Lowell, seconded by Scott, the Senate adjourned until Monday, out of respect to the memory of Sir John Thompson.

In the Dominion Notes Act, the amendment proposed is simply the insertion of clause requiring the government to hold dollar for soldiar in geld for all issues exceeding twenty millions. This clause was adopted by the House last session, but by one of those incidents which sometimes occur was not included in the bill as passed. Instructions are already issued to the Mountsd Police to take the census of the Territories, with a view to increase the representation.

The Manitola Free Press in speaking of the Uxbridge Pino says: They are genuine works of art, and reflect the highest credit upon the firm which has produced them. The old style of upright panos is thrown into the shade. The Uxbridge Piano has a continuous book rack which will be appreciated in the playing of ducts; sitting down to the liano the performer touches a lever and the keyboard is uncovered, and the hinges of the lid turn out of sight, and the instrument precisit the same artistic appearance when open as when shut. The Organ-manufactured by the Uxbridge company have been in use for over twenty years, and require no special description as they are so well-known and liked in the homes of the thousands over the whole world. However, the company is manufacturing a six Oct. Organ in Plazo case which is having a wonderful sale. The Planos made by the Uxbridge Piano Co, are a credit to Canadian enterprise, being equation tone, durability and finish to the best American.
